HURDLING

Racing over Hurdles

“Just running a straight 100 or straight 200, that’s boring for a hurdler. Hurdling requires more than just speed. It requires flexibility, strength and courage”

Reggie Towns, NCAA Athlete

From the Editor's desk

My dear friends in Rotary Leadership Institute,

A newsletter is a great tool to connect people and let everyone know the activities in different regions. Similarly, the RLI South Asia newsletter will showcase the programmes that we do and help disseminate the knowledge and information among all people. It was all along my earnest desire to come out with a bulletin to spread the news of RLI. I am so happy to bring out the first quarterly RLISA newsletter now. We have planned to publish the newsletter after completion of every three months of the Rotary year. This bulletin will have the activities of RLI in the first three months of the year 2021-22. It will help us to know and understand the training sessions that are conducted in various places and countries of South Asia. We can learn from each other the good practices of conducting the sessions and improving our performance. We have chosen the "HURDLING" as our Logo with the caption "**Listen to Inspire and talk to motivate**"

There are several similarities between Rotary Leadership Training and "Hurdling."

- A hurdler never goes too high over the hurdle which would mean a loss of a fraction of a second. In RLI too, it is just about giving enough thought on the subject that we are discussing and making the participants get inspired and motivated to learn more. The objective is not to cram Rotarians with ideas or policies.
- A hurdler paces between the hurdles beautifully and never shuffles his feet. In the same way, the facilitator times his session goals precisely and discusses everything within the stipulated period. The participants get optimum knowledge and share their thoughts too.
- A hurdler can hit any number of hurdles and still come out victorious. Similarly, there may be little setbacks and minor hiccups while handling a session. One must be clever enough to face them and manoeuvre past to reach his/her destination.
- In athletics, hurdling needs a lot of practice, collaboration with vibrant team members and excellent efforts to achieve the best. Rotary Leadership Institute training is similar to that. We do not give long lectures. We do not depend on PowerPoint presentations. We work hard to coordinate the thoughts of several people and reach the goal with current and updated techniques, tools and strategies in training.

Let us pool in all our efforts together and make the mission of Rotary Leadership Institute visible to all Rotarians. The RLI in South Asia is doing extremely well now. Rotary membership is growing enormously in this part of the world. It is our duty to see that people understand and love the various facets and programmes of Rotary and stick on to the great organization. Retention is the name of the game and you and I can do a reasonable job of it. It is also important for us to stress

upon the newly trained Rotarians to take the message of RLI to their clubs and around. We shall indeed motivate members of Rotary clubs to become Rotarians in the true sense and inspire them to fathom the length, breadth and the depth of the ocean of Rotary.

I love you all.

George

Leader's Talk

PRID. Kamal Sanghvi

Chairman, Rotary Leadership Institute South Asia
World Membership Chair

My dear warriors of Rotary Leadership Institute,

I am very happy to write to you through this Newsletter of Rotary Leadership Institute in South Asia. I am indeed proud to take over the mantle of Chairmanship of RLISA as we are doing extremely well in this region and carrying out the highly useful training in all the 4 Zones. As you all know, we have been hovering around the Membership mark of 1.2 million for several years and our own RI President Shekar

Mehta has given us the clarion call of "Each one Bring one" and "Grow more to do more". We have already started to see some tremendous results in this part of the world and have added more than 20,000 new Rotarians in our Zones. Success is always followed by responsibility and it becomes our duty to retain the gains that we have got. Retention of members has been a great concern over the years and we have lost 1.2 million members in the past decades. Interestingly, the major exodus of members has been in the first 3 years in Rotary. It is evident that the more Rotarians know about Rotary, the lesser are the chances of them leaving Rotary. Here lies the duty of RLI Discussion Leaders, Trainers and Facilitators to make the ordinary Rotarians into knowledgeable Rotarians who would love Rotary.

Rotary Leadership Institute believes in providing basic Rotary knowledge and Leadership skills to the grass root Rotarians at the club level and beyond. Most Rotarians have not been exposed to the great scope of Rotary around the world and RLI strongly believes that a good Rotarian should know the evolution of Rotary, its current status and activities in the world and also have a vision for the future through a strategic plan. It is of course our duty to create that enthusiasm among the Rotarians by instilling the concept, purpose and idea of Rotary. But in the same breath, I must caution you that the Trainers should be well versed about Rotary and know even the latest developments and changes in Rotary. I have suggested Trainer's training programmes periodically for the Facilitators and the training modules and curriculum are being worked out. Sharpening our saw is essential for effective and meaningful functioning of our own organization. The Rotary Leadership Institute in South Asia is doing extremely well in all the zones and countries and this newsletter will carry messages of all our activities and innovative methods right across the world. I wish you all the very best in this great endeavour and we will make our own RI President's dream of making our membership strength to 1.3 million by the end of this Rotary year and to retain them in the coming years through our hard work, dedication and the love of Rotary.

PRID. Kamal Sanghvi

5 great Pandavas of Rotary

Paul Percy Harris : Founder of Rotary - 23rd February, 1905. A visionary and an idealist.

Chesley R. Perry : Builder of Rotary - General Secretary for 32 years. Creator of "The National Rotarian" fore runner of "Rotarian" the official magazine of Rotary.

Arch C. Klumph : A man who can be described as, "one who thinks Rotary, sleeps Rotary and dreams Rotary." He started "Endowment fund of Rotary" in 1917 later renamed "The Rotary Foundation" in 1928.

James Wheeler Davidson : "Marco Polo of Rotary" He was responsible for spread of Rotary in India. Established Rotary in Australia, New Zealand, Southern Europe, Egypt, Siam and Japan. He traveled all over the world for years to grow Rotary.

Herbert J. Taylor : Propounded the everlasting test - The 4-Way Test to us in 1932. Made the Rotary's official test in 1943. Herbert became the R.I. President in 1954. (11 years gap between the 3 events)

Leader's Talk

PP Binod Khaitan

Regional Vice Chairman

RLI South Asia Region (India, Nepal, Bhutan, Sri Lanka & Maldives)

Discussion Leading is a Leadership competency

Earlier this year a RLI Discussion Leader wanted to know what was needed to be successful. My first answer is the ability to listen because it's at the heart of influence, creating relationships, dealing with doubts, questions, complaints, and demonstrating responsiveness & empathy. My second answer is process skills—the ability to participate in and manage group conversations. Individuals can improve their influence and impact by sharpening their process skills. Here are six reasons why doing so is a worthwhile investment of your time..

- You'll set yourself apart. The ability to manage RLI Course Sessions so they are productive, inclusive, and focused on rotary activity is an organizational skill that transcends expertise. Being really good at a core discipline is important, but being an expert only gets you so far. If you can add the ability to facilitate conversations to your repertoire of skills, you'll add more value to RLI and your Rotary Club.
- You'll gain stature. Your fellow Rotarians will respect your ability to make their time in RLI Sessions productive even more so if you can manage the conversational processes with very little attention on your own views. You are not doing this to get noticed, but it never hurts to be known for having a critical skill set.
- You'll create productive relationships. The entire process of determining what should be on the agenda and interacting with Rotarians about the best way to have a successful RLI Course Session gives insight into what matters to participants. relationships are built on a series of conversations where people can express themselves fully and be heard. If you can do this, you'll build a network that you can depend on outside of the RLI Courses as well.

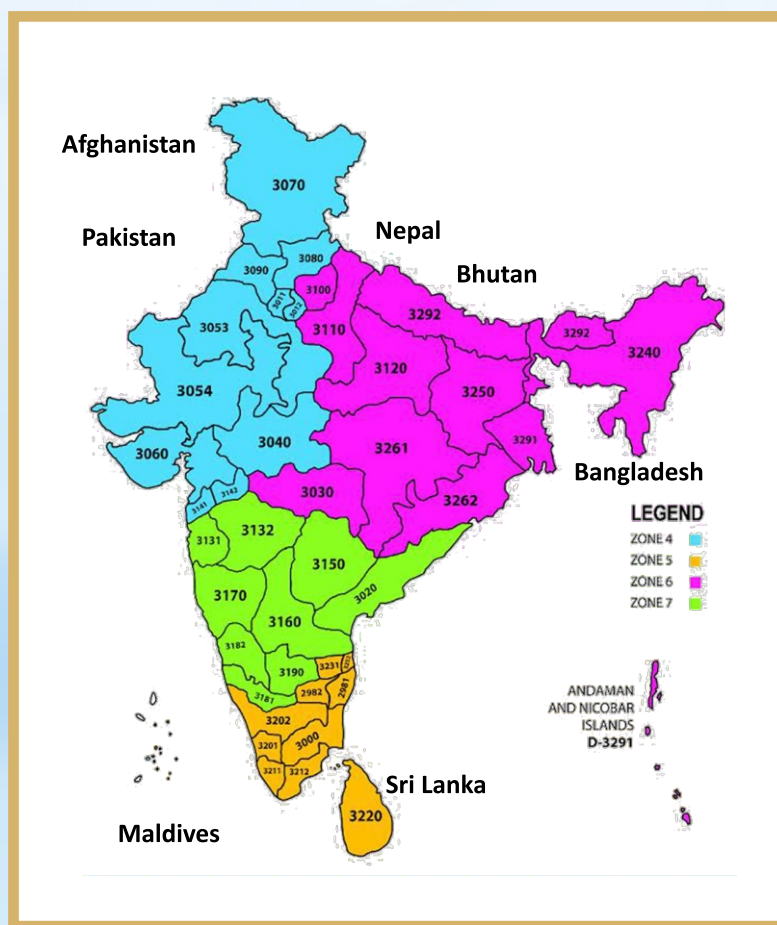

- You'll enhance your powers of observation and learn to stay out of the conversation. Managing a RLI Session requires careful attention to the dynamics in a room for example, whether someone needs to be brought into the conversation or an action item needs to be assigned or the discussion has gone off track. Facilitating a Session also requires learning to withhold your own ideas and questions and focus on the input and thoughts of others. Many of us need turn the conversation to our own views or experiences. These are important leadership skills in and out of Sessions.
- You'll become valuable beyond your own Rotary Club. If you become known in Rotary as someone who can manage conversations effectively, you'll likely be asked to help with other Training programs. You may not be interested in becoming a professional facilitator, but even leading one or two training Sessions for other parts of the organization will build your network and knowledge of other functions.
- You'll contribute to Rotary's success and respect. Offering to design and lead RLI Course Sessions, is a gift in several ways. Many Rotarians simply don't have the time to determine what needs to be done and how best to get the broad participation required for alignment. Being able to focus intently allows a Discussion Leader to pick up on the nuances people express, verbally and nonverbally, and to listen for any organizational perspective or background the group needs. Trust and respect are based in our ability to be effective in conversations. It might be time to devote yourself to mastering group conversations.

“Listening is a master skill for personal and professional greatness”

Our Zone 5 Division is doing extremely well now. Last year we conducted RLI programmes of Parts 1 and 2 in all the 11 Districts and completed Part 3 in a few Districts. This year in the first 3 months, the same trend is continuing. But for the first 2 weeks of July at which time everybody was busy with the various installations of Presidents and Governors, we have been occupied on all the weekends with RLI in different Districts.

The highlights of the training programmes are:

- 2 Assistant Governors RLI Training programmes in 2 different districts.
- 1 in person RLI training of Parts 1 and 2 for Rotaractors.

Both were highly successful and were much appreciated.

We have all along been doing RLI Programmes under the strict supervision of the Divisional leaders. Now we have about 30 Facilitators in our Zone alone. We have also started trying out the new Facilitators in some of our recent events. We feel that it is time, for the District Chairs and Coordinators to take up the RLI programmes in their respective Districts to have a greater number of events and to train more participants. In the coming weekend Districts 3232 and 3231 are doing their RLI programmes and the latter one being the training for Rotaractors.

We will not be surprised if we do about 60 to 80 RLI programmes during this year. But we will supervise and see that quality training is given in all the centers whether it is virtual or in person meet.

RLI Events of Zone 5 Division in the first 3 months of the Rotary year 2021-22

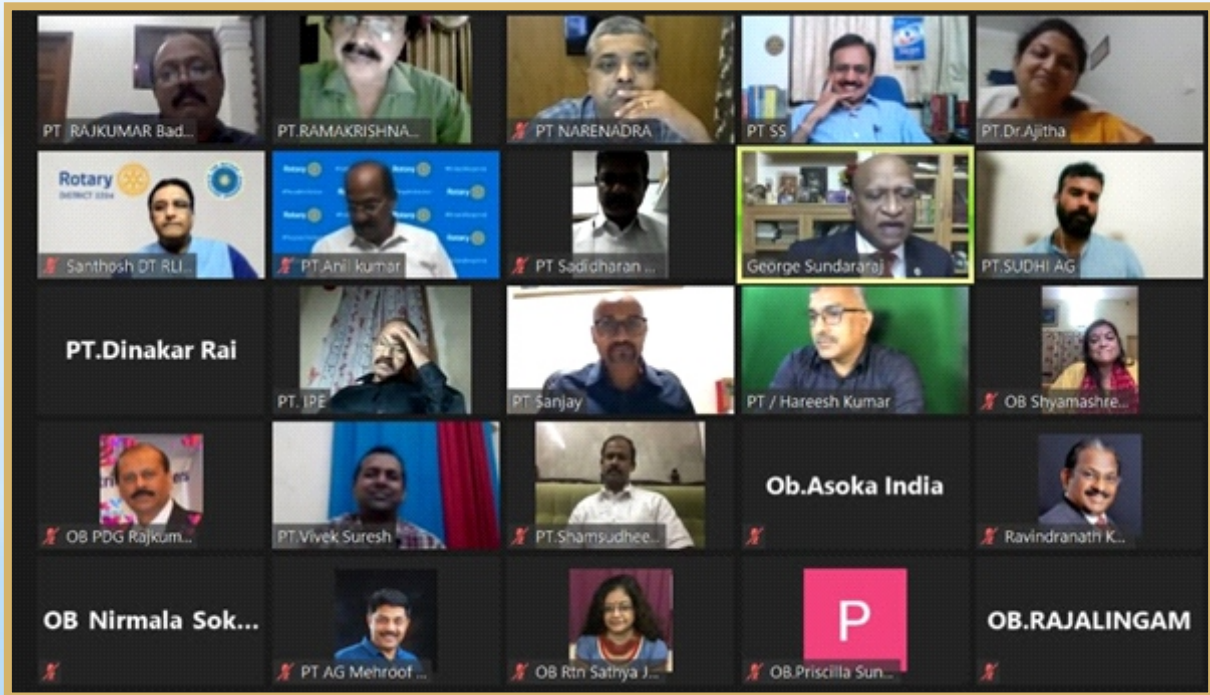

- 31 July and 1st August at Chennai RLI Part 1
- 17 and 18.7.2021 - RLI Part 3 at Tiruvallur
- 28, 29 and 30.7.2021 RLI Part 1 at Calicut for Assistant Governors. Dist. 3204.
- 12, 13 and 14.8.2021 - RLI Part 2 at Calicut for Assistant Governors. Dist. 3204
- 20,21 and 22.8.2021 - RLI Part 1 - District 2981. Nagappattinam.
- 27, 28 and 29.8.2021 - Part 1 D. 3203. Nilgiris
- 3,4 and 5.9.2021 - RLI Part 2, District 3232. Chennai.
- 10,11 and 12.9.2021 - Parts 1 RLI COIMBATORE.
- 11.9.2021. and 12.9.2021 - RLI Rotaract at Udumalpet
- 18 and 19.9.2021 - Part 3 RLI for Districts 3204, 3211 and Kerala part of 3201.

31 July and 1st August at Chennai RLI Part 1

3,4 and 5.9.2021 - RLI Part 2, District 3232. Chennai.

28, 29 and 30.7.2021 RLI Part 1 at Calicut for Assistant Governors. Dist. 3204

11.9.2021. and 12.9.2021 - RLI Rotaract at Udumalpet

Zone 6 Activities

Zone 6 Districts (10) - 3030, 3100, 3110, 3120, 3240, 3250, 3261, 3262, 3291, 3292

DIVISION ADVISOR	DIVISION CHAIR	DIVISION SECRETARY
PDG. Sandeep Narang Email Id : pdgsandeep@gmail.com Mobile #: +91-9234669205	PDG. Dilip Patnaik Email Id : dilip3260@gmail.com Mobile #: +91-9437052286	PDG. Angsuman Bandyopadhyay Email Id : ab3291@gmail.com Mobile #: +91-9830077307

There are 10 Districts in RLI Zone-6 Division (Eastern India & Nepal, Bhutan) namely Dist. 3030, 3100, 3110, 3120, 3240, 3250, 3261, 3262, 3291 and 3292.

Out of these Districts the following have already initiated their action and have organized one or more RLI Graduation Courses and one F.O.T. Program also.

The Division has also come out with a publication in the form of a booklet named "**Training Guidelines to be an Effective Facilitator/Discussion Leader**" for physical RLI Training Sessions to be given to all Faculty.

- **Dist.3100 – Coordinator PDG. Lalit Mohan Gupta**

They have conducted two Part – I courses virtually and are geared up to conduct one Part – II Course on 2nd & 3rd Oct' 21.

- **Dist. 3240 – Coordinator PP. Sukhminder Singh**

They have for the first time conducted one Part- I Course at Tezpur, Assam in virtual mode and have planned to conduct Part – I, Part – II & Part – III in physical mode on 30th & 31st Oct' 2021 at Guwahati, Assam.

- **Dist. 3261 – Coordinator PP. Anjana Maitra**

This District have acted fast and have already conducted three batches of RLI Course Part – I & II, physically at Bilaspur (C.G), Sambalpur (Odisha) & Raigarh (C.G) besides one F.O.T Program at Sambalpur (Odisha) with 14 participants. They are all set to conduct Part – I, II & III Course on 2nd & 3rd Oct' 21 at Rourkela physically.

- **Dist. 3262- Coordinator PP. Harsh Gupta**

This Dist. had conducted one RLI Course exclusively for Rotaractors last year virtually for the first time in the Rotary World. They have conducted one Part – I Course this year. Virtually with 13 Clubs & 16 participants (all President Elects) on 4th & 5th Sept.21. Planned to do the Part – II Physically in Oct' 21.

- **Dist. 3291 – RLI Chairman PP. Anjay Ray**

This District has already done two Part – I Courses and one Part- II Course this year virtually and planned to organize one more Part – II Course before Dussehra (Durga Puja) also.

The other Districts are in the planning mode and will come out with their plan

Summary :

RLI Part 1 we had 19 Courses, RLI Part 2 we had 4 Courses. Three In person and one hybrid and rest 19 were on Virtual zoom platform.

We had Two with Medium of Instruction as Hindi, Two Kannada and one in Marathi.

Apart from many FoT graduates being given a chance under a mentor some of them have started doing programs individually creating a second rung of RLI Facilitators in RI Dist. 3170. The single most motivating force is Rtn. Prakash Saraswat. We have now decided to involve and engage participants from other Districts of the Zone VII to activate them and from any part of India and outside India provided the time lag is not very uncomfortable for Attendees. We had earlier participants from UK, Anambra, Portugal etc.

The incoming District Leadership: DGE and DGN of RI Dist. 3170 are gearing up to promote RLI further during their tenure as they have seen the benefits in terms of Member retention, Feast of Rotary Knowledge, and pool of proficient facilitators for the various District Training events.

Challenges :

Motivating the other Districts in Zone VII who are not very active. We are working on Piggyback riding of the Facilitators of these Passive Districts along with some of the Facilitators of RI Dist. 3170 and having a mix batch of Participants enriching fellowship amongst Inter District Members. Having two Inter Country Committees with Greece and Portugal in RI Dist. 3170 and 3190 we are further planning to fortify the fellowship and looking for options of conducting snapshot programs for various Club Meetings and slowly build up for Inter Country RLI Programs.

Future Plans :

Planning for a Physical RLI Program which is going to be a mix of RLI Part 1, Part 2, Part 3 and FoT in Goa with faculty from across India.

Gratitude:

I bow down in gratitude for our Team of Facilitators from Rtn. Binodji, Dr. George, CM Bendre, Mohan, Rajiv Sharma.....and we are looking forward to engaging more of them.

Strategic Planning in Rotary

Were relevant in the past and we will make it most relevant for the future Rotary is a bottom-up driven organisation. Rotarians are

responsible to keep an eye on the future and have to align with the changing needs of the stakeholders with strategic thinking.

Conventionally at a Rotary Club level, our focus has always been on operational excellence. As an NGO, we are mission driven and not profit driven. As world's supplier of happiness, the strategy is about why we are doing and how we are doing it. It's about being the preferred choice for new members, donors, partners and the community at large.

As part of strategic thinking, we need to have an intuition of the future by evaluating trends and identifying possible scenarios as we leverage on our legacy. Nobody can predict the futuristic trends, but when disruption happens, we are much better prepared, relevant and effective as in the case of pandemic.

The goal of strategic thinking is in accomplishing the strategy. Rotary International since 2002 has established a framework of Strategic Plan based on feedback from Rotarians, Rotaractors and other relevant stakeholders. There is a paradigm shift from compliance to strategic thinking in everything we do.

Our core values fellowship, integrity, diversity, service, and leadership have remained at the crux in everything we do, as we continue to evolve as an organisation with a greater purpose.

Rotary Club Strategic Plan should take into consideration, the Rotary International Strategic Plan Priorities, Action Plans and the aligned goals. Aligning this with the District Leadership Plan, the Rotary Citation requirements and the Rotary Club's Vision and Mission provides a robust and futuristic framework.

As part of its journey of excellence, environment scanning from an external threats

and opportunities of the Rotary Club and the club's internal strength and weakness from an external threat is the first step in carving out a vision for the Rotary Club, The governance and recommended administrative structure of The Club Leadership Plan, is a good tool that can integrate strategic plan and operational plans of a Rotary Club. The Board of Directors of a Rotary Club role is strategic in nature and the standing committees is operational in nature from a Club Leadership Plan perspective.

Rotary Club Central is an enabler of a Club's vision as a goal setting and monitoring tool. Cascading the goals to the team is an important component of strategic planning. Buy-in from the Rotarians of the club is very crucial as we go about realization of the goals. transformation based on planned reviews can be achieved by using Rotary Club Central features and share our accomplishment of the goals to all the Rotarians of the club.

For those clubs whose processes are not mature to incorporate all the 4 strategic priorities in one go, a strategic thinking of taking into consideration one strategic priority at a time can be a good starting point. Expanding the reach as a priority and its corresponding action plans is the first step in such a scenario.

A time horizon of 3-5 years is generally a good consideration of a Rotary Club Strategic Plan. As this is a dynamic plan, critical success factors have to be established for each of the goals that drive the strategic initiatives. It's a worthwhile consideration to recognise and celebrate the success upon accomplishment of the goals.

It's a good practice to establish a strategic planning committee at the club level to oversee

the strategic planning process. The member representation can take into consideration those who are knowledgeable about Rotary and strategic planning.

The Rotary Club by-laws is to be amended to reflect the role of the strategic planning committee and it's reporting on a planned periodicity.

As we evolve to the changing needs by reshaping Rotary, let's continually recalibrate Rotary Club's vision for the future, resulting in a flexible Rotary Club positioned to continually iterate and respond to external and internal needs.

Rotary Designated Months

A convenient way to remember the activities designated for the months.

July	: Leadership month. In the Rotary New year, the leaders take over and their activities take importance	January	: Vocational service month. After recovery from illness, you go back to your profession or business.
August	: Membership development and new club formation month. The clubs are just gearing up to do many activities for the year and they need many members and many hands to work.	February	: Peace building and Conflict prevention month. When you are happy with your health and profession, you are peaceful in life. In addition to this, Rotary was born in the month of February.
September	: Basic Education and Literacy month. In western countries, the schools reopen after annual holidays and Education takes importance.	March	: Water, Sanitation and Hygiene month. Summer is setting in and there is water shortage, and you must think of the WaSH.
October	: Community economic development month. After your education, you settle down in the community with a good job and develop.	April	: Maternal and child health month. The maximum number of deliveries occur during this month in India and so the importance for MCH.
November	: The Rotary Foundation month. When you are economically well settled, you come forward to contribute to The Foundation.	May	: Youth service month. Holidays start for the youngsters and hence their activities reach the maximum.
December	: Disease prevention and treatment month. The rain and the cold weather are likely to bring in many diseases.	June	: Fellowship month. At the end of the Rotary year, the members come together and celebrate.

PDG. George Sundararaj

Executive Director

Rotary Leadership Institute, South Asia

The Rotary Foundation Basics : Introduction to the foundation

(This is a multiple part article and, in every edition, PDG George would be covering various topics on Rotary Foundation)

Our Foundation was started in the year 1917 as “Endowment Fund of Rotary” by Arch.C.Klumph (R.I.President 1916-17) with a meagre amount of US \$ 26.50.

The fund was renamed as “The Rotary Foundation” in the year 1928. The first Grant was done at the instance of our Founder Paul Harris with his donation of US \$ 500 to the International Society of crippled children. From its modest start and an initial slow growth, our Foundation has become one of the largest, dependable and reliable Charities of the world.

All of us want to contribute to some charity because we want to give back to the society at least a small portion of what we have received. But why should we donate to The Rotary Foundation? The simple reason is that our charitable institution, The Rotary Foundation is transparent, efficient, effective and serves the people around the world in the right areas.

- The association of fund raising professionals named our Foundation as the outstanding charitable foundation.
- CNBC ranked The Rotary Foundation as number 3 in the world among the top 10 charities.
- We bagged the highest 4-star rating for the 13th straight year from the Charity Navigator, an independent evaluator of charities. The Rotary Foundation has earned the maximum of 100 points from it this year.

We save mothers and children, fight disease, provide clean water, support education, grow local economies, promote peace and protect our environment. Do we need more reasons to contribute to The Rotary Foundation?

Our Rotary Foundation does great service through four major programmes of Polio eradication, Grants, Scholarships, and Vocational Training Teams.

- Eradication of Poliomyelitis. We had 176 cases in the year 2019 and 140 cases in the year 2020. We have had just 2 cases of wild polio virus cases this year. (1 in Pakistan and 1 in Afghanistan)
- Humanitarian service in the 7 areas of focus through Global grants. Service to the downtrodden through the District Grants adhering to the 3 fundamental principles of the mission statement.
- Educational scholarships and building peace in the world through peace scholars.
- Vocational training throughout the world.

We can contribute to:

- ☐ Polio Plus Fund
- ☐ Annual Fund
- ☐ Endowment Fund
- ☐ Designated giving towards a Grant

Where does our contribution to The Rotary Foundation go?

91 percent of the money that the Foundation spends, goes to programs and grants, with only 9 percent of expenses going toward administration. To ensure that the funds for the project are there when needed, all contributions to the Foundation's Annual Fund are invested for three years. After three years, the investment earnings on our gift go toward the operating

expenses of the Foundation. The Investment Committee includes three Foundation trustees and six Rotarians who are professionals in the field, who make sure that our money is invested responsibly during this period. When we complete three years, the investment earnings on our gift go toward the operating expenses of the Foundation. It is simply brilliant to have a system of this kind. Our principal gift to the Annual Fund after taking away 5%, is split 50/50, with half going to our District Designated Fund and other half going into the World Fund, a pool that the Trustees of The Rotary Foundation use to match grants where they are most needed.

The motto of The Rotary Foundation is, "Doing good in the world."

The Mission of The Rotary Foundation is to enable Rotarians to advance world understanding, goodwill and peace by improving health, providing quality education, improving the environment and alleviating poverty.

The District Grants support humanitarian service projects, Vocational Training Teams, Scholarships, Cultural exchanges, Disaster relief and Service travel. They shall be aligned with the Mission of The Rotary Foundation.

Global Grants support Humanitarian service projects in the 7 areas of focus, Scholarships for graduate level academic studies of 1 to 2 years and Vocational training teams. The minimum budget for a Global Grant project is \$30,000. The DDF is matched 80% by the world fund. The Global Grant should be sustainable, measurable, align with an area of focus, serve community needs, involve Rotarians and community members and meet the eligibility requirements.

Areas of Focus (in my order)

- ☐ Maternal and child health
- ☐ Disease prevention and treatment
- ☐ Water, sanitation and hygiene
- ☐ Basic education and literacy
- ☐ Community economic development
- ☐ Peace building and conflict prevention
- ☐ Environment

We will discuss more about the Scholarships, Vocational Training Teams and Polio Plus in the subsequent bulletins. When we give to The Rotary Foundation, We will discuss more about the Scholarships, Vocational Training Teams and Polio Plus in the subsequent bulletins. When we give to The Rotary Foundation, we are directly supporting Rotary's work. Our gift makes our service projects to happen - projects that eradicate polio, promote

peace and develop communities. We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

Are we donating to our Rotary Foundation today? We will indeed serve the local community as well as the whole world.

PDG. Dr. T. George Sundararaj

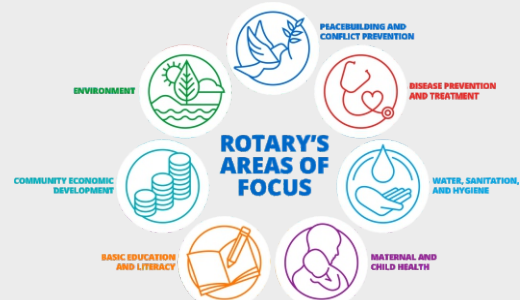

Zone 5 Divisional Chair

R.I. District.3203, India

THANK YOU FOR SUPPORTING THE ROTARY FOUNDATION!

Rotary's 7 areas of focus

An easy way to remember the 7 areas of focus

Remember the natural life cycle of a human being.

1. Mother and foetus will have to be taken good care of for a safe delivery and the birth of a healthy child: **MATERNAL AND CHILD HEALTH**
2. Child will have to be protected from getting any disease and will have to be treated for ailments immediately: **DISEASE PREVENTION AND TREATMENT**
3. Child will have to be protected from getting any infection: **WATER, SANITATION AND HYGIENE**
4. Child will have to be given good education: **BASIC EDUCATION AND LITERACY**
5. After good education, he/she must get a good job and earn well: **COMMUNITY ECONOMIC DEVELOPMENT**
6. With a satisfactory and healthy life, he/she must have complete peace: **PEACE BUILDING AND CONFLICT PREVENTION**
7. In spite of all these precautions, you can be hit by a natural calamity which is mostly caused by our failure to protect the environment: **ENVIRONMENT**

Recognitions

Rtn. K V Mohan Kumar was bestowed as Paul Harris Fellow by Strategic Planning Rotarians Fellowship Group (S-PROF) for dedication to Strategic Planning. S-PROF is a Vocational Fellowship Group of Rotarians that aims to

Also, **Rtn. K V Mohan Kumar** was honored as Champion of Health by Rotary International on World Health Day (07th Apr 2021). He was one among the six Rotarians globally by Rotary International for his outstanding work in providing functioning prosthetic hand to

people in Africa and South Asia. He has provided more than 20,000 prosthetic hands in India alone.

Rtn. C M Bhendre of RC Thane Metro (RID 3142) was conferred The International Rotary Leadership Institute, The Mike Rabasca Achievement Award for 2021 for his contribution towards RLI's progress towards, Being Better Informed Rotarians as a Discussion Leader, through imparting, Sharing & Learning technique of RLI Part I-III & FOT. He was recognised for motivating Rotarians across RID Zones 4,5,6 & 7, Pakistan, Bangladesh, Sri Lanka, Malaysia, Singapore, Philippines, Argentina, Brazil, Nigeria, Kenya and many more countries. The International RLI declares only 2 awards across the Rotary World annually.

POLIO ERADICATION - Latest updates

- ❖ As on 20th October 2021 the total number of Polio cases in the world remain at 2. (1 in Pakistan and 1 in Afghanistan)
- ❖ The last case reported was on 27th January 2021.
- ❖ We haven't had a single case for more than 36 weeks.
- ❖ But then we have had 345 cVDPV cases this year as against 1092 cases last year.
- ❖ This tells us that our Mass Immunisation programmes in the world are still not adequate to give us the required HERD IMMUNITY.
- ❖ Donate to Polio Fund
- ❖ Work well in NID CAMPS and get the statistics.
- ❖ Try and work as volunteers in countries where they may require our services.

ENDPOLIONOW

Pearls of Wisdom - Paul P Harris (Founder, Rotary International)

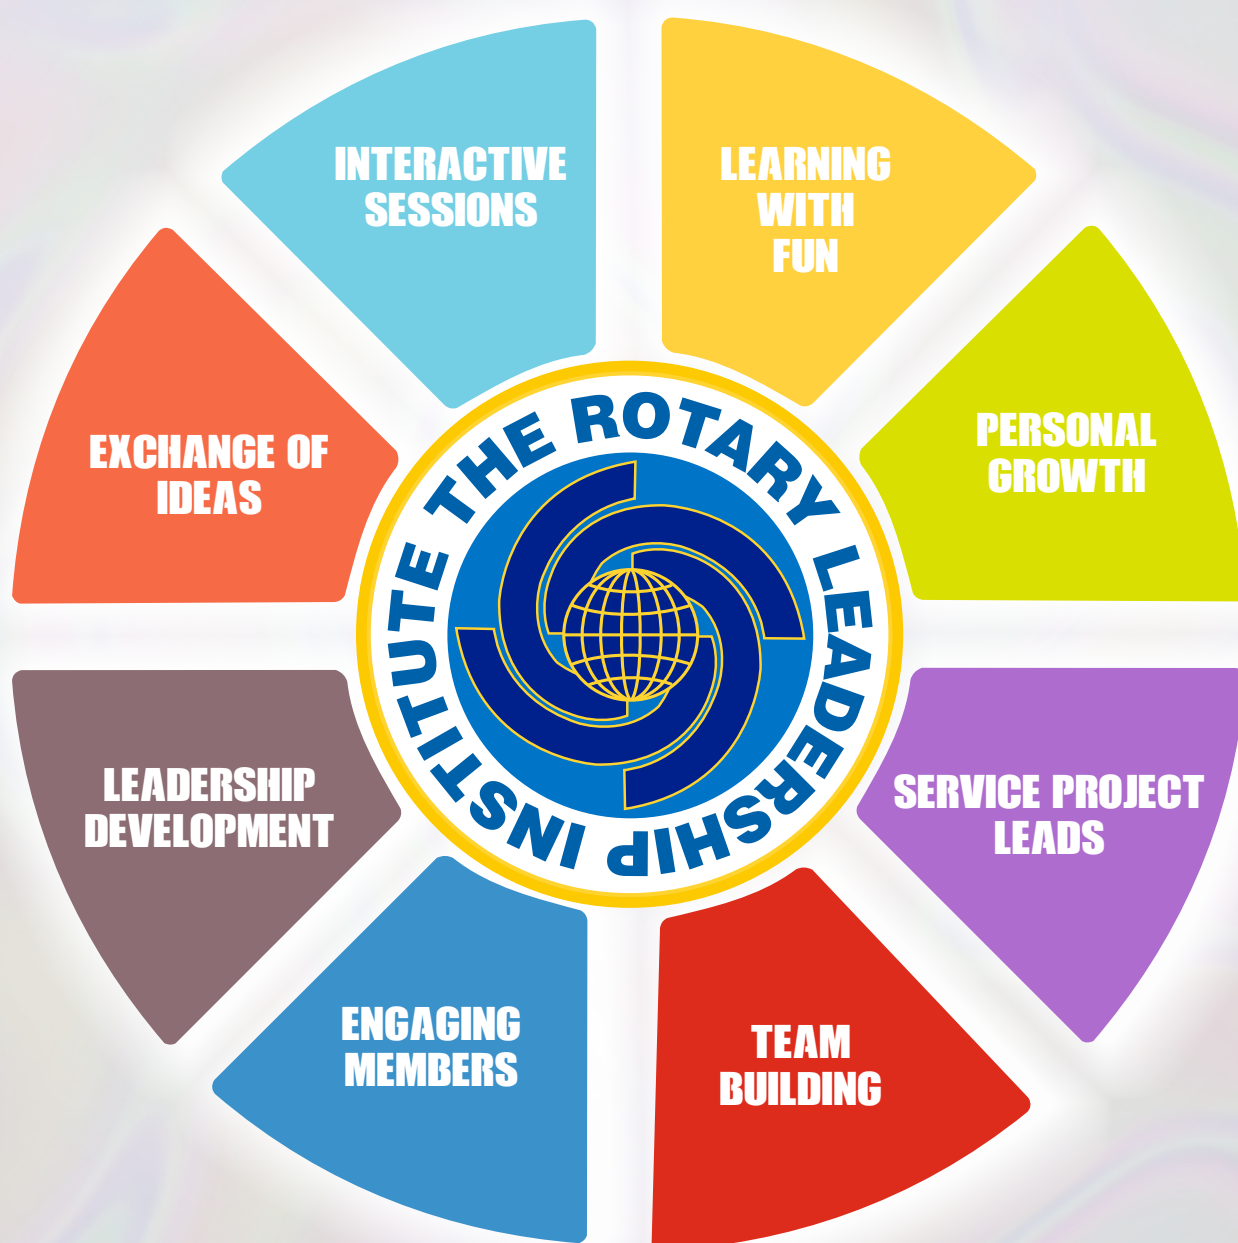

- ❖ The spirit of tolerance which has made it possible for Rotary to form a worldwide fellowship of business and professional men will make all things possible.
- ❖ Rotary allows ordinary people to do extraordinary things.
- ❖ The Rotary of today is different from the Rotary of yesterday and the Rotary of tomorrow cannot, must not, be the same as the Rotary of today. Rotary will continue to evolve

Take your

Rotary leadership skills

to the next level with

RLI
